Subject: Erasmus+ Traineeship Positions at Cyprus University of Technology
Importance: High

Dear Colleagues,

Cyprus University of Technology is on the look for students or new graduates interested at spending 3-6 months at various Traineeships positions related with either administrative activities or research and laboratory based work in the various academic departments.

All available traineeship positions and relevant description can be found at <http://erasmus.cut.ac.cy/smt-student-mobility-for-training/>

Interested applicants are welcome to spend a semester or two in the city of Limassol <http://allaboutlimassol.com/en/>

Interns are expected to be financially covered via their Sending Institutions under the Erasmus+ Program.

Please forward any questions at incoming@cut.ac.cy (George Nikolas- Incoming Students Unit)

We are looking forward to welcoming your students and new graduates in the heart of Limassol, at Cyprus University of Technology !

Kind Regards,

Stavroula Antoniou
